

Muhammad Zainal Arifin

Software Engineer

I'm currently working full time as a Software Engineer in a company in Yogyakarta (Cikajogja). Born in Karanganyar, Central Java, Indonesia, I graduated from **VHS 2 Karanganyar** at 2021 as a **Software Engineering** student. I'm interested in the world of technology, especially programming. I have experience in several projects in creating, developing web-based and mobile-based applications.
